

PIPE STANDS

PJ5 MAXI STANDS

The Pipe Jack 5 Maxi Pipe Stands are the ideal solution for heavy duty pipe handling, in the workshop or for site applications. The Large Vee Head, heavy duty base and variety of head options make the Pipe Jack 5 (PJ5) the most durable and versatile pipe stand on the market.

The Pipe Jack 5 (PJ5) stand is supplied as standard with a 5 piece wheel kit. Weight load tested to 1225kg / 2,700lbs per stand, the PJ5 can support pipes of up to 36" diameter and any length can be moved around a workshop or site, without using a crane or forklift.

Features

- 1,225kg / 2,700lbs load capacity
- Variety of head options
- Castor wheels for pipe transportation
- Height adjustable
- Suitable for carbon or stainless steel
- Independently load tested
